The Sullivan Township Board of Trustees moves by resolution to adopt the Sullivan Township Cemetery decoration and memorial policy stating that all decorations and memorials will be placed only on headstones or footers. Any decorations placed on areas to be mowed or weeded will be removed and stored at the Sullivan Township Road Superintendents Garage for 14 days to be claimed. If items are not claimed in 14 days the items will be discarded. The only exception to this policy will be Memorial Day and Veterans Day where items may be placed on or around graves of Veterans for the day before the holiday date and 9 days to follow the holiday. This policy is effective as of 5/1/19
